“DYB, Inc. Announces Partnership with Teampass”

TeamPass is the Exclusive DYB Technology Provider

(Marshall, Texas) – DYB, Inc. (“DYB”) is pleased to announce that we have partnered with TeamPass Sports Platform of Solana Beach, California to be the Exclusive Technology Provider of DYB. Beginning with the 2023 season, TeamPass will be the online home for the DYB player rostering system. We are excited about the opportunities we will have to streamline the online player rostering process.

TeamPass will provide a state-of-the-art platform for league administrators to submit their regular season team rosters. The emphasis of this platform, while focusing on all of the needed functionality, is simplicity. The goals of DYB throughout this project have been to ensure a simple, easy-to-use system at an economical price for our leagues.

The TeamPass platform will offer DYB leagues the option of using the TeamPass Player Registration System. In the coming weeks, leagues will receive information from DYB and TeamPass regarding the player registration system.

In addition, the TeamPass Sports Platform is able to provide your league with some of the following features:

- Online player registration and payments
- Online Waiver Signing
- Integration with DYB National Player Rostering System
- Game Scheduling
- Private Messaging
- Team Rostering
- Real-time Reporting
- Mobile App
- League Websites
