Jason A. Reeves, Mayor

WELCOME TO TROY!

It is my personal pleasure and honor to offer you a warm welcome to the City of Troy for the 2025 Alabama Diamond Youth 6U Division I and Division II State Tournaments. On behalf of our citizens, our recreation staff, our many volunteers and governmental officials, we hope your stay in Troy is memorable.

Troy offers many amenities usually found in cities much larger, while maintaining the warmth and friendliness of small-town Alabama. Although much of your time will be spent at our recreation facility, we encourage you to explore the City of Troy. Discover our warm atmosphere. Witness our progressive future built upon historic roots.

As the father of four, I too have spent many hours at the ballpark and at tournaments such as this, and I know that many unexpected things will occur while you are here and away from your own homes. It is our goal to make your trip to Troy and the 2025 Diamond Youth State Tournaments the best experience possible. If we can assist you in any way, please don't hesitate to ask.

Again, welcome to the City of Troy and Play Ball!

Sincerely,

Jason A. Reeves, Mayor

Alabama DYB Inc.,

Participants and Guests,

Greetings.

On behalf of the Alabama State Director and your local District Directors of Alabama DYB, WELCOME to Troy, Alabama, for the 2025 Alabama Division I & II DYB 6U Single-A State Tournament.

I congratulate and welcome each participating team to the Alabama Division I & II DYB 6U Single-A State Tournament. No matter the outcome of the games this week, everyone who has come this far is a winner.

Thanks to the support of the City of Troy, Mayor Jason Reeves, the Troy City Council, Dan Smith, his staff, the Troy Parks and Recreation Department, and the citizens of Troy, we are pleased to be back in Troy. The City of Troy has spent countless hours planning and preparing for this event to ensure that this week's activities will create memories that will last a lifetime. DYB salutes the dedicated employees whose hard work will make this week's event a success.

Enjoy the games and let the players do the same. Win or lose, be proud of their accomplishments, and always remember that **good sportsmanship** is the most important part of the game! Only the champions will earn the right to represent Alabama in the 2025 World Series in Dunn, NC, but we can all leave Troy, Alabama, as winners!

Best of Luck,

Ricky Phatuos

Dear Diamond Youth Baseball Players and Parents,

Your season likely began in January or February with team practices, and some six months and hundreds of miles later, you find yourself in Troy for the 2025 Alabama Diamond Youth Baseball State Tournaments.

We love baseball and all youth sports in Troy, and we want to do everything possible to make sure that this tournament not only meets but exceeds your expectations.

We hope that while you are in Troy that you will find many of the comforts of home, that you will find friendly people and a hometown atmosphere, and that you will find many pleasant memories that you may take with you.

We have been very fortunate in Troy to have played in many state tournaments and World Series for girls and boys at all levels, and chances are your city was the host in previous years. It is now our turn to repay the hospitality.

Our greatest wish is that you and your family enjoy your stay and can say when you depart that our city achieved our ambition to put on a first-class event.

On behalf of everyone with Troy Parks and Recreation, welcome to Troy, and may your team and family leave with great memories.

Sincerely,

Dan Smith
Director

WEATHER PROCEDURES

The ALDYB Weather Procedures are our minimum acceptable procedures to deal with the weather at our tournament sites. A local tournament host may have stronger policies in place but in no instance can they be less than listed herein.

LIGHTNING

When lightning is detected within 8 miles of the facility, play will be suspended.

No place outside is safe if lightning is in the vicinity. Partially enclosed areas like picnic shelters and dugouts are not safe.

All players, coaches, spectators, officials, etc. will be directed by the public address system to clear the park and go to their vehicles until the lightning threat has ended.

On-field activities will resume after 30 minutes of no detected lightning strikes within an 8-mile radius of the facility.

At any time during the 30-minute delay, subsequent lightning strikes occurring within a 6-mile radius of the facility will restart the 30-minute clock before any on-field activities may be resumed.

TORNADO WATCHES/WARNINGS

A tornado watch is issued by the National Weather Service when weather conditions are favorable for the development of severe thunderstorms that can produce tornadoes.

A tornado watch does not mean that severe weather is occurring, only that atmospheric conditions have created a significant **risk** for it.

If severe weather does occur, a tornado warning would then be issued.

No activities will occur at the tournament site as long as that location is under a Tornado Watch/Warning.

HEAT

On any day that the local forecast calls for a Heat Index at or above 105°F, there will be a mandatory Heat Break of no less than 5 minutes at the end of every 2 innings of play in every game on that day of tournament play.

This mandatory break should be used to hydrate and rest the participants.

No on-field activities will occur during this time.

1. Walk-Up Music—The team coming to bat is allowed to play music but must stop once the third out is made during their turn at bat.
2. Tie Game – start with a runner on second base. That runner will be the last batter who completed their at-bat of the previous inning.
3. Time Limits – district / sub-state / state tournaments. 75 minutes (6U)
4. No Time Limit in Championship Game.
5. Medallions at the Manager's meeting or first Pool Game.
6. 60 ft base paths for 6U.
7. 7 runs max per inning for 6U.

A (6U) Coach Pitch Tournament Rules

The following Coach Pitch Tournament Rules shall be used exclusively in Coach Pitch district, state and World Series. The Official DYB Playing Rules and Tournament rules as currently in use will be the basic set of rules for 6U Coach Pitch play as emphasized or modified below:

12.01 Tournament Play:

- (a) A game will be a forfeit if a team cannot field nine players.
- (b) Games will not start after 9:30 pm unless approved by the Tournament Director.
- (c) Tournament games must be played until complete.

State Option: The state may impose a time limit in games.

- (d) No team shall be required to play more than three (3) games on the same day during the same tournament and no team shall be required to play as many as three (3) games on the same day more than twice during the same tournament, except to play an "if necessary" game to determine the tournament champion
- (e) Balls must be DYB Approved for tournament play.
- (f) All 6U Coach Pitch tournament team affidavits must consist of a minimum of eleven (11) players and a maximum of twelve (12) players, a team manager, and three coaches. A minimum of eleven (11) players must be present for each game and must fulfill all offensive and defensive requirements.

12.02 Playing Field:

- (a) Baselines shall be 60 feet.
- (b) Recommended distance for the outfield fence is 180 feet from home plate for tournament play. Approved temporary fencing will be allowed, as necessary.
- (c) A 12-foot-diameter chalked or painted pitching circle (the "pitching circle") with a chalked or painted line in the center of the pitching circle at 46 feet drawn completely across the circle. The center of the pitching circle will be 46 feet from the back edge of home plate.

12.03 Coach Pitcher

- (a) The adult coach pitcher of the offensive team shall pitch to the batters, and he shall throw overhand from standing position.
- (b) Reserved
- (c) The 6U coach pitcher will pitch from a pitching rubber of thirty-five (35') from the back tip of home plate. The coach pitcher must start with one foot on the rubber when pitching to the batter. **PENALTY:** If the 6U coach pitcher does not start with one foot on the rubber, a violation shall be called by the umpire with the defensive team having the option of taking the play or a no pitch.
- (d) The coach pitcher shall exit the playing field behind the runner or away from any play on the field when the ball is hit into fair play to avoid interference. **PENALTY:** If the umpire determines interference on the coach pitcher, the batter shall be declared out and all runners shall return to the base occupied at the time of the pitch. The coach pitcher shall be warned and a second occurrence in the game shall result in the removal of the coach pitcher from the mound to the dugout for the remainder of the game.
- (e) If the coach pitcher is hit by the ball, it is a dead ball and will be a no pitch.
- (f) The coach pitcher may coach or position the batter only, prior to the delivery of a pitch. He/she cannot coach the runners. **PENALTY:** A warning will be given for the first offense, and he/she will be removed from the mound to the dugout for the remainder of the game on the second offense
- (g) Only the manager shall represent or speak for the team.
- (h) Coaches cannot go outside the playing field without the permission of the umpire. Coaches will be removed from the game for violation.
- (i) The Coach Pitcher cannot leave the mound and return to the mound during the same inning with the exception of an illness or injury.

12.04 Player Pitcher Position (6U Coach Pitch)

- (a) The defensive team will place a player in the designated pitching circle at the pitcher position. The player pitcher must have one foot inside the designated pitching circle, must stand in position on either the left side or the right of the coach pitcher or behind the coach pitcher, must not interfere with the coach pitcher, and not be any closer to the batter than even with the 46-foot line until the ball is hit. The Player Pitcher cannot leave the designated circle until the ball is hit. **PENALTY:** The offensive coach has the option of accepting a hit or taking a no pitch.
- (b) The player pitcher is required to wear a face guard with or without a batting helmet or cap while playing this position.
- (c) Tournament Pitching Rules do not apply to the player pitching position.

12.05 Equipment

- (a) Catchers must wear full catcher protective equipment. The catcher may use a baseball fielder's glove or catcher's mitt. The catcher must be in the squatting position behind home plate in a direct line with the pitcher and home plate when the ball is pitched.
- (b) T-ball bats are not allowed in 6U Coach Pitch play.

12.06 General Playing Rules:

- (a) The batter will be allowed five (5) pitches or three (3) strikes. The batter will be called out after the fifth (5th) pitch unless the fifth pitch is a foul ball. A foul on the last pitch shall not count unless a foul fly is caught in the air; then the batter is declared out.
- (b) The infield fly rule is NOT applicable.
- (c) Bunting is NOT allowed. **PENALTY:** If a player bunts a ball in fair territory, it is a violation of this rule and the umpire shall immediately call time; no players may advance, and the batter will be charged with a pitch and a strike.
- (d) Base stealing is not allowed. Base runners must stay in contact with the base until the ball is hit. Leaving the base before the ball is hit will allow the defensive team the option to keep or reject any part of the play.
- (e) Intentional walks will not be allowed.
- (f) A regulation game shall be six (6) innings for tournament play in all A & AA division games unless the 10 or 15-run rule applies (Fifteen runs after three (3) innings or ten runs after four (4) innings).
- (g) **State Option:** - A state organization may adopt a rule to allow a team to score a maximum of seven runs per half-inning, except the 6th inning in district and/or state tournament play. After the 6th inning, the seven (7) run maximum is in force for the remainder of the game.
- (h) The 15-run rule will apply after three innings only if all players have completed one time at bat.
- (i) **Outfielders** - The outfielders may play anywhere in the outfield but no closer than twenty feet behind the normal base path. A chalked or painted line will be placed at the twenty-foot point. **(See page 68).**
Penalty: The offensive coach has the option of accepting the hit or taking a no pitch. Note: This line pertains to the four outfielders only, not to the infielders. Once the batter has hit a ball the outfielder may move inside the 20' line to make a play on the ball.
- (j) Defensive teams will use ten players in the field, including four outfielders.

12.07 Defensive/Offensive Time Outs

- (a) **Defense** - A manager shall be entitled to request time, on defense, to talk to his players once during the same inning without penalty. On the second request for time in the same inning the manager will be placed in the dugout for the remainder of the game.
- (b) **Offense** - A total of three (3) timeouts per inning shall be allowed on offense to talk to a batter. The coach requesting a fourth timeout to talk to a batter in the same inning shall result in that coach being removed from the field and placed in the dugout for the remainder of the game.

12.08 Base Running:

- (a) If a runner has passed a base prior to the player pitcher gaining control of the ball in the designated pitching circle and does not stop, he/she may advance to the next base at his/her own risk.
- (b) With runners on base, a timeout will be called by the umpire after each play comes to a natural end.
- (c) A runner missing a base with no attempt to return to the base to tag up before the ball becomes dead may be appealed by the coach after calling a time out. **PENALTY:** The runner shall be called out on appeal.
- (d) **A "Courtesy Runner" may be used for the catcher only.** The "Courtesy Runner" will be the last out made or if no out has been recorded in the game, the batter in the lineup farthest away from the batter who the "Courtesy Runner" is being used for. "Courtesy runners" are not permitted for other playing positions.

12.09 Player Participation Requirements - See Offensive and Defensive player requirements in **Tournament Rules 11.35; 1136; and 11.37.** -

Diamond Youth Baseball
8U 20-Foot Line Construction

Construction: Place a heavy string or measuring tape 20' feet behind the outer point of 2nd base and draw a portion of a semi-circle from a point 20 feet beyond 2nd Base in line with the 2nd to 3d base line with a nail or stick located at the 20' mark and chalk the semi-circle which gives you exactly a 20' distance from the baselines.

On March 15, 2025, an F2 tornado came through Troy and Pike County, leaving heavy damage, including the facilities of the Troy Sportsplex.

The state tournament will be played on Fields 1-4 on Side II of the Sportsplex, while Side I, its batting cages, the Miracle League Field, and the soccer fields are off limits for your safety, due to damage and ongoing construction.

Please make sure no one on your team or family attempts to go to this side of the Sportsplex Side I, again, for your safety.

Thank you for your understanding.
