NOTE: If, after Game #21, there are three teams with one loss each, the team having played the most games will receive the bye in Game #23. If two teams of the three remaining teams have played the most number of games, they will draw for the Game #23 bye. If all teams have played the same number, all will draw for the Game #23 bye. (If three teams remain with one loss each and all have played the same number of games, there will be two runners-up in the tournament.)

Advancing More Than One Team from Tournament Bracket: After the completion of a double elimination bracket if any two teams are tied, with the same won-loss record, the head-to-head tie-breaker will be used if the tied teams played each other during the tournament. If the head-to-head tie-breaker does not break the tie or if the two tied teams did not play each other during the tournament there must be a one game playoff to determine which team advances to the next level of play. No other tie-breakers may be used in double elimination brackets.
