Ineligible participation during the postseason will expel the entire team from further play. The illegal player will be suspended from the league for 1 year.

Roster

A team may carry a maximum of twenty-eight (28) eligible players on the official roster. **Official rosters are frozen as of June 13th at 11:59pm for all leagues.** Only players listed on the official roster may sit on the team bench.

Schedule Changes

Schedule changes shall not be permitted, unless under extraordinary circumstances and must be approved by the league.

- The league shall make reasonable efforts to accommodate special scheduling requests but this may not be possible. Requests must be sent to the coordinator with reasonable time to review.
- Under certain circumstances, changes to the venue and/or game start time may have to be made with relatively short notice. Thus, the league reserves the right to move a match to a different venue and/or time slot within a reasonable time period as a result of weather cancellations at any one field. This may be used in very limited situations and all efforts will be made to accommodate the teams involved.

Once the schedule is sent out, we will not reschedule games unless the following occurs:

- The game did not reach halftime and the game is unable to resume play due to weather.
- The field is deemed unplayable by City of Charleston staff.

Coaches/Team Captains

The coach or team captain:

- Is the official representative of their team and the liaison to League officials.
- Is responsible for ensuring that their team complies with all League by-laws.
- Is responsible for their team's conduct before, during, and after a game while at any CSL game facility, owned or leased by the City of Charleston. This includes each team's fans.
- Is responsible for ensuring that all players on the official roster are eligible to play in the league/postseason tournament.

Captains will be suspended for two (2) games if they attempt/play with an ineligible player and will lose their performance bond.
- Is responsible for turning in the game day roster to the league official/referee, ten (10) minutes prior to each game.
- Is the only member of a team who may initiate the protest of a game.

Forfeits

1. After 5 minutes past the original game time, the incompliant team must forfeit.
2. The clock starts at game time.
3. At least 4 eligible players must be ready at game time to avoid a forfeit.

Teams must be completely ready to play at game time. This includes the required number of players present (at least 7 & 1 must be female), properly dressed/equipped, proper uniforms, ref fees, and a Certified Roster presented.

After 5 minutes, the team must forfeit. **The clock starts at game time.**

1st forfeit = lose half of your performance bond.

2nd forfeit = lose the entirety of your performance bond, and be eliminated from the postseason. After the second forfeit team must repost the full bond (\$80) or will be removed from the remainder of the schedule.

Inclement Weather

If the CSL office has NOT contacted your team by 5:00 pm for weeknight games, then your team is required to show up at their scheduled field at the scheduled time. Failure to do so will result in a forfeit. Referees, City Officials, and CSL staff may determine the fields unplayable at any time.

Lightning/Thunder: If lightning is seen or thunder is heard during a game, play is stopped and can resume after 30 minutes have passed. If play is stopped, everyone **MUST** get off the fields and proceed to a vehicle or shelter. Should a match's progress be terminated due to weather conditions after one half has been completed, the match will be considered official and the score at the time will stand. During the regular season and playoff games, if an abandonment occurs during the first half, the balance of the game shall be rescheduled and the remaining time played. The rescheduled game shall commence at the time when the game was abandoned. (e.g. the 16th minute) with the score as it stood at the time of abandonment (e.g. 3-1)

Match Termination

A match is considered official if one half has been completed. Should a match be terminated for any reason other than inclement weather or poor field conditions, the CSL Commissioner will review the referee's report and any other information available in order to render a decision. If a game is terminated due to a team's misconduct, that team will forfeit a minimum of half their bond and be subjected to further discipline up to and including removal from the league. No refund of either the fee or bond will be given if removed from the league.

Playoffs / Awards

The final regular season standings will determine regular season champions and seeding's for the playoffs. The top 4 teams in each division make the postseason.

Tie Breaker:

- 1) head-to-head play
- 2) goal differential
- 3) fewest goals allowed overall
- 4) coin toss

Awards: The Champion of each division final will receive a team award.

Point System

- Tie = 1 point
- Loss = 0 points

Players Code of Conduct

The CSL Commissioner shall have full authority to take any action necessary for player or team misconduct. If more than the minimum CSL punishment is being considered, all players/teams have the right to a hearing concerning misconduct. Any appeal of the decision of the CSL Commissioner will be heard by the Athletic Superintendent.

Ejections and suspensions will be given as stated below:

- Any player who receives a yellow card for dissent, unsporting behavior, or other cautionable offenses must substitute for another player for 4 minutes. If there are no substitutions, the team will have to play down for the 4-minute cool-down period.

- Any player ejected from a game (receives a Red Card) must pay a minimum \$25.00 Red card fine and serve a (minimum) one-game suspension before they are allowed to play their next game. While serving the suspension, the player may not be present at the field or premises.
- Players who receive a red card for violent conduct of any type or verbal assault towards referees and/or other players must pay a \$50.00 red card fine.
 - The fee will be tiered where minor language, double yellow cards, and other "soft" red cards will be the minimum \$25 and one game suspension. All other red cards are subject to the decisions of the CSL Coordinator. The CSL Coordinator shall determine "soft" red cards vs. all other red cards.
- Any player receiving two (2) straight red cards will be suspended for the rest of the season. Players who receive three (3) red cards within the same season will be suspended for the rest of the season or until they attend the next available entry-level referee clinic. In addition, they will be placed on a 1-year probation period.
- If a game is terminated due to a team's misconduct, that team will be responsible for paying the referee fees for the entire match and will lose half of their bond and be subjected to further discipline up to and including removal from the league. No refund of either the fee or bond will be given if removed from the league.

**** Any player or coach/captain recorded or ejected from a game due to any type of violent conduct will be suspended for the remainder of the season. If a player leaves and returns later will be suspended for the remainder of the season.

Any team that clears the benches for a fight, argument, or brawl, will immediately be suspended from further play, and playoff eligibility and be placed on probation. In addition, the CSL Coordinator will determine if the team meets the terms for team suspension. The terms depend on the severity of the misconduct and could result in suspension from the CSL, probation, and/or team disbandment.

The CSL staff and employees of the Recreation Department reserve the right to ask any spectator(s) to leave the facility and property.

Suspensions will carry over to any post-season play. If suspension occurs during the team's last post-season game, the suspension will carry over to the next season the player participates in. **If a player plays a game without completing their suspension AND paying the \$25 reinstatement fee, that player is ineligible until both provisions have been completed, and all games in which the player participated will be forfeited. In addition, the captain will have to serve a suspension and the team will lose half of their bond.**

For a suspension to be considered as 'served' the game must take place.

Foul language (to include derogatory, racial, sexist, and bigoted statements and name-calling), badgering, threats, or any other abusive actions towards referees, league officials, or any other players will not be tolerated.

- Players ejected for *foul, abusive & insulting language*, specifically the "F-word" and derogatory, racial, sexist, and bigoted remarks directed towards players, staff, and/or referees will be suspended for a minimum of two (2) games with the possibility of additional games upon review of incident and will be placed on a one (1) year probation period.

In addition, suspensions and actions may be taken by SCASA for state sanctions.

The CSL wants all foul and abusive language eliminated. This rule intends to keep our League a family-oriented League. The rule is not to penalize a player for swearing quietly or under his breath (unless directed at an opponent or referee) but to keep the fans from vulgarity and increase the value of the League's reputation.

****Team Rep/Captains will be responsible for relaying this information to their teams.****

Advice to Referees

The CSL wants the F-word eliminated and harshly penalized. The intent of this rule is to keep our League a family-oriented League. The rule is not to penalize a player for swearing quietly or under his breath (unless directed at an opponent or referee), but to keep the fans from vulgarity and increase the value of the League's reputation. Please penalize the F-word for the following infractions ONLY:

- Any player/coach who uses the F-word as a "bomb", meaning very loud and heard by everyone at and around the field. Example: Player takes a shot, misses and loudly screams, F!
- Any player/coach who directs the F-word at a teammate or opponent. Example: I'm going to F-ing get you!
- Any player/coach who directs the F-word at any match referee. Example: You're F-ing crazy!

Appeals

Appeals must be made through the team captain/coach. Appeals will go through the CSL Superintendent for review. A \$25 fee shall be assessed for every appeal made. If the ruling is in favor of the appeal, the \$25 shall be returned.

Appeals will be considered after a review of reports from the team captains, CSL staff present, referees, and other witnesses.

All appeals must be made within 24 hours of the suspension notice provided from the CSL Coordinator.

Penalty Points

The CSL uses a penalty point system for player and team misconduct. Player points accumulate as both player *and* team penalty points. It shall be as follows:

Player Points:

Yellow Card = 4 points. Once a player reaches 12 points (3 yellow cards), he is suspended for the next match.

There is no fine.

Red Card = 12 points. Once a player receives 36 points, he is suspended for the season.

Protests

The referees present on the field shall handle grievances. Protests of decisions by referees are to be made in typed format only. The protest must be filed within 24 hours of the game in question ending. A protest can only be made by the team's captain listed on the official roster. Referees must be notified prior to the end of the game that the game will be played under protest and shall be accompanied by a \$50.00 protest fee. The \$50.00 protest fee must be a certified check or money order. Teams may not appeal any judgment call, only rule interpretation or player eligibility. If the protest is upheld, the protest fee will be returned.

Officials

There will be one (1) referee and two (2) assistant referees for each regular season game and playoff games. The CSL reserves the right to add a second official as needed.

Match Reports: The referee **must** fill out an Official USSF Referee Report if there are any red cards given during the game. If there are any unusual incidents (team A was late, lights on pole #1 out, injuries etc.), please add it to the comments in Arbiter. Referees are required by SCASA policy to report any player who does not have a valid player pass. **If there is a Red Card in the match, please notify the Assignor and CSL Commissioner the next day.**

Match Fees: Referee fees are as follows for COED 11v11 Games (\$80 per team):

<u>Referee</u>	<u>Asst. Ref #1</u>	<u>Asst. Ref #2</u>	<u>Total:</u>
\$70.00	\$45.00	\$45.00	\$160.00

Each team is responsible for paying the referees ½ of the match fee. Cash only.

Pay only for the referees who show up!

- Rules for PK's: Only players on the field at the end of the second OT period can take PK's. 5 players will be selected to take kicks and must alternate Male and Female. If after 5 kickers we are still tied, we will continue this format until the tie is broken. The same person may not kick again until all players that were on the field have kicked.

Substitutions

Substitutions can occur at any stoppage with the referee's permission. During an injury, the injured player may be substituted for, or the team can play down a man until the player is ready to continue. Any substitutions for either team may enter the game at an injury timeout as long as they reported at midfield prior to the injury occurring.

**SOUTH CAROLINA AMATEUR SOCCER ASSOCIATION (SCASA)
POLICY FOR HANDLING REFEREE ABUSE CASES**

USSF Policy 531-9, Misconduct Towards Game Officials, defines Referee Abuse under Section 3, subsection 4 as:

- 1) Referee abuse is a verbal statement or physical act not resulting in bodily contact which implies or threatens physical harm to a referee or the referee's property or equipment.
- 2) Abuse includes, but is not limited to the following acts committed upon a referee: using foul or abusive language toward a referee that implies or threatens physical harm; spewing any beverage on a referee's personal property; or spitting at (but not on) the referee.

By this USSF Policy, all Referee Abuse cases, as do all Referee Assault cases, must be handled by SCASA, not by the League in which the incident occurred. In these cases, a League may add to any penalties imposed on a player by SCASA.

This SCASA policy covers persistent statements or physical acts toward an Official (Referee, Assistant Referee, Fourth Official, or Club Linesman) before, during, or after a game, that do not constitute referee assault or referee abuse as provided under US Soccer Federation Policy 531-9, but mistreat the Official or are inappropriate or unacceptable statements or acts in the following categories:

- a) Excessive incidences of foul or abusive language at the Official;
- b) Statements that diminish the authority of the Official; and
- c) Statements or acts that serve to intimidate without threatening physical harm to the Official.

For such Referee mistreatment incidents defined in categories a), b), or c) above, SCASA directs its Member Leagues to handle such cases within 30 days of the incident according to the League's disciplinary policies. A player shall be under suspension until a final decision is reached by the League or by SCASA.

Examples of misconduct that arise under the description above include the following:

- a) Confronting the Official without physically threatening the Official;
- b) Spitting on the ground or in the air near but not at the Official;
- c) Throwing or kicking an item as a sign of dissent but without the chance of hitting the Official; and
- d) Re-entering the field to confront the Official.

The following steps must be taken by a League in handling these mistreatments towards a Referee that do not qualify under USSF Policy 531-9 as Referee Abuse (number 1 and 2 from above):

1. The League shall notify SCASA before taking any discipline actions and provide all relevant supporting documentation, including referee and witness reports and communications with the player.
2. If the player is found guilty, the League must issue a suspension of no less than 3 matches. Additional suspensions, fines, or other sanctions are at the discretion of The League. The League must notify SCASA of any penalty imposed on the player.
3. The League must provide due process to the player, including the right to appeal to SCASA.
4. If the player appeals to SCASA:
 - a) Appeals must be submitted made by electronic mail and addressed to: Chairman Discipline Committee, SCASA Email: scasaregistrar@gmail.com
 - b) Appeals to SCASA must be accompanied by a \$150.00 payment made payable to SCASA.
 - c) Upon receipt of the appeal and the accompanying payment, SCASA will notify all affected parties and will inform them of the consideration schedule.
 - d) SCASA will review the appeal and make a ruling. Before a decision is reached, SCASA may seek additional information and may convene a hearing, at which time the Member making the appeal may appear before the SCASA hearing panel appointed by the SCASA President. SCASA will hold a hearing if the accused player requests one.
 - e) If SCASA overturns the sanction issued by The League, then the \$150 appeal fee shall be reimbursed to the player.
