Dear Baseball Fan:

On behalf of all of Colleton County, I welcome you to the Diamond Youth Baseball A East Regional World Series here in Colleton County. Colleton County is proud to be the home of the ACE Basin Sports Complex and to Diamond Youth Baseball and Softball. We are proud to have the opportunity to welcome players, coaches, and fans from all across the Southeast and other parts of South Carolina to our wonderful county!

During your stay in Colleton County, I strongly recommend a visit to the Colleton Museum and Farmers Market, which eloquently displays the history of Colleton County, and the South Carolina Artisan's Center, which includes work by artists from all over South Carolina. You can also stroll through downtown Walterboro to shop for antiques and other unique gifts. Also located in our county, just 45 minutes away, is Edisto Beach, which is a family oriented beach that offers plenty to do and plenty to see. Additionally, you can look forward to visiting our restaurants that offer a wide variety of food choices, including barbeque, Lowcountry cooking and seafood.

If you prefer the outdoors, we have many great opportunities for you while you are here. You can visit the Great Swamp Sanctuary here in Walterboro, a natural park that gives you a taste of the beauty of our county. The 170,000 acre ACE Basin, located throughout the County, consists of the Ashepoo, Combahee, and Edisto River Basins. Its waters and wildlife are a popular attraction for nature based tourism to include fishing, canoeing, boating, nature viewing or just a leisurely drive.

However you decide to spend your time between baseball games, I invite you to get out and discover just how beautiful the Lowcountry of South Carolina is, as well as what a truly unique and wonderful place Colleton County is to visit.

Again, welcome to Colleton County. We hope you enjoy your time here!

Sincerely,
