Diamond Youth Softball: Our Mission

To promote the development of strong character, a right attitude, a sense of responsibility and citizenship in our youngsters using the game of softball as a vehicle.

Welcome to DYSoftballUSA

Thank you for taking the time to see what franchising with DYS can do for your community.

In response to numerous requests from our leagues for a no-nonsense softball option for their girls ages 6-18, DYB, Inc. is excited to announce the launch of ***Diamond Youth Softball (DYS)*** for the 2024 season. By building a strong organization that starts at the local league level, Diamond Youth Softball hopes to teach girls respect for others, how to concentrate under stress, set and achieve goals, and to accept responsibility and failure. Like DYB, DYS emphasizes fair play, honesty, sportsmanship and patriotism. Through congenial fellowship and positive adult role models the goal of DYS is to help the participants further their development both physically and emotionally.

Diamond Youth Softball is a community based recreational youth softball program for girls ages 18 and under. We stress participation, teamwork and sportsmanship. We are proud to say that DYS is an ALL-VOLUNTEER NON-PROFIT ORGANIZATION—All of the directors of DYS serve on a volunteer basis. They do what they do out of love for our children and our community. From the district level all the way through the national level there are no paid directors in DYS.

The information on the following pages will tell you more about our program and how you can join us.

Please feel free to contact us with any questions.

It's not just about winning.....

Playing sports will improve values like discipline, responsibility, self-confidence, sacrifice and accountability. To perform our best and get the most out of playing sports, it is important to combine the desire to win, having fun and learning.

Winning is a powerful motivator but it can't be the only reason to participate...

Diamond Youth Softball

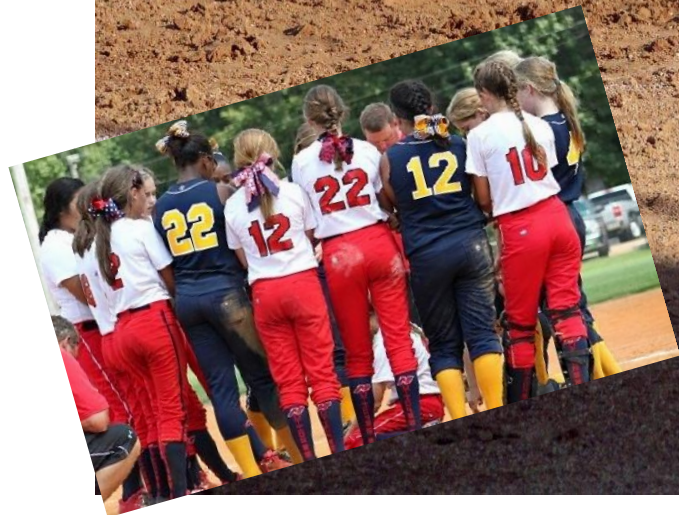

it's about your community...

and remembering what's important.

it's about teaching lessons of the game....

and lessons of life...

but most of all...

We are an ALL-VOLUNTEER program...

From the district level all the way through the national level there are no paid directors in the DYS program. This 'labor of love' is what sets us apart from our competitors.
