

Lincoln Civic Center Baseball League
CODE OF CONDUCT
ZERO TOLERANCE POLICY

It is the desire of the Lincoln Civic Center (“LCC” or “the League”) for players, managers, coaches, umpires, parents, and spectators to be able to enjoy the sports of baseball in a safe and positive environment.

Lincoln Civic Center strongly encourages:

- Applauding effort on the field, regardless of the score.
- Remembering that the league exists for the players to learn and to have fun. Even though the game is competitive in nature, winning is secondary.
- Parents being supportive of coaches. Parents should be a positive role model and foster respect of the coaches among the players. Concerns about a player’s role on a team should be expressed to the coach(es) in private, never in public.
- Remembering umpires are often “in training” as well as the players. All umpires will make mistakes occasionally, but coaches and parents are expected to accord the umpires with the respect their position within the game deserves.
- Modeling acceptable behavior. Booing, taunting, refusing to shake the hand of another coach and/or player after a game, or ridiculing another player is not acceptable behavior.
- Teaching players that they have a responsibility to learn and to try their best. Effort leads to achievement and respect.
- Providing all children, regardless of race, creed, sex, or talent, an opportunity to play ball and to learn.

Players will learn these values by the examples they see from those around them and, to this end, these rules will be strictly enforced:

- A “zero tolerance” policy for physical abuse or verbal abuse, including obscene gestures, of a league official, umpire, coach, player, or spectator.
- Baseball is a game of interpretations and, as a result, disputes will occur from time to time. All disputes that are taken up with the umpire will be handled in a civil manner. Only coaches may initiate such discussions with an umpire. The coach(es) will conduct themselves with decorum and once the umpire has made his/her final ruling, the coach(es) will make no further field protest. Off-field protests may be lodged with the Lincoln Civic Center Baseball Committee (“Baseball Committee”) per League policy.
- Coaches will refrain from complaining about perceived bad calls to players and fans.
- All discussions will be held in conversational tones. Under no circumstances will a coach, player, or spectator yell at a league official, umpire, coach, player, or spectator, except when a coach or player shouts to another coach or teammate during the course of a play as part of that play.

This policy is adopted to establish guidelines as to what actions constitute unacceptable behavior and the subsequent consequences of such actions. This policy and its guidelines will be administered by the Baseball Committee with the authority granted to it by the LCC Commission.

I – Scope

This policy pertains to actions taken by players, managers, coaches, parents, and other spectators before, during, and after a game, practice or team event. This policy discourages any negative actions in the way of comments, posts, and/or pictures on social media. The consequences listed below are to be considered guidelines that the Baseball Committee may choose to follow. If the Baseball Committee implements a termination or suspension of a manager, coach, parent, or other spectator or invokes a period of probation, those so penalized shall lose the privilege of participating in any league activities or serving the league in any official capacity during their period of termination, suspension or probation. The period of termination, suspension or probation shall begin the first game after the Baseball Committee's ruling.

The umpires shall be responsible for the conduct of the game in accordance with the official DYB and LCC Baseball Complex rules and for maintaining discipline and order on the playing field during the game. Each umpire is the representative of the League and DYB and is authorized and required to enforce the rules. Each umpire has authority to order a player, coach, manager, league officer, or spectator to do or refrain from doing anything which affects the administration of these rules and to enforce the prescribed penalties. Each umpire has authority to disqualify any player, coach, manager, substitute or spectator for objecting to decisions or for unsportsmanlike conduct or language and to eject such disqualified person from the playing field. An ejection by the umpire will apply to that day or night's period of play. The period of ejection by an umpire shall not be considered part of any penalty handed down by the Baseball Committee

II – Procedure

Any player, manager, coach, parent, umpire or spectator may bring a complaint against another party. Umpires shall follow the appropriate league handbook rules regarding this issue. The complaint shall be directed to the Baseball Committee and submitted in writing. The written complaint may be submitted by email or delivered in person to the LCC manager. The Baseball Committee will notify the accused subject in writing of the complaint and any possible consequences. The point of contact for filing such complaints shall be the LCC manager and all email correspondence can be sent to the following email address: cbullock@co.lincoln.ms.us. Once a written complaint is in their hands, the Baseball Committee will investigate the circumstances within 14 days. The Baseball Committee Chairman may choose at his or her discretion to call a special meeting of the Baseball Committee in advance of the next regularly scheduled meeting to review and act upon a complaint. This meeting date and time are at the discretion of the Baseball Committee Chairman and are closed to the public. If no special meeting is called, the findings will be presented at the next scheduled Baseball Committee meeting.

Per the Dixie Youth Handbook, 4.19–PROTESTS-Local League Play (a) A protest (complaint) which involves an umpire's judgment shall not be accepted.

The accused subject may request to address the Baseball Committee regarding the complaint. Such request shall be made in writing to the LCC Manager within 7 days of the written notice of the complaint, and the address may be made in person or in writing. The written request or written response of the accused subject may be hand delivered or emailed to cbullock@co.lincoln.ms.us.
